Dear Mr. Klotzbach:

SUBJECT: NOTICE OF LICENSE EXPIRATION

Notice is given hereby, courtesy of the Department, that the referenced State of New York Radioactive Materials License issued to your firm will expire on the date indicated above. The responsibility to file a timely application for an Amendment to renew the License remains solely with the licensee.

Your attention is directed to the Department cover letter with the License, or the last License Amendment, if any, as referenced above, and to the requirements of the State of New York Industrial Code Rule No. 38, "Ionizing Radiation Protection" (12 NYCRR 38), effective July 10, 1978, in particular to Section 38.7 "Security" and 38.11 "Duration of Licenses" for appropriate compliance.

There are no forms for License amendments. ~~X~~ Letter (original and one copy) signed by an officer of the firm requesting License renewal must reach the Department thirty (30) days prior to License expiration date.

IMPORTANT: ~~X~~ Letters applying for License renewals shall be kept separate from any other requests, and separate for each individual License.

Please contact me, should you require assistance. My telephone number is area code 212 - 488-7791.

Very truly yours,

Andrew E. Awa
